

EMILY, YU

Full Stack Web Developer

E-mail: bluerainmango@gmail.com
Address: Jurupa Valley, California 92509, USA

Full Stack Web Developer with 5 years of experience in E-commerce and Online marketing. Recently educated at the University of California, Riverside Extension and geared up with the skill sets in front-end and back-end development.

Pure curiosity motivated me to pursue web development and take pleasure in solving challenges from programming. Passionate to create web applications with comprehensive perspectives combined with my background in multimedia design and online marketing.

Always persistently ready to improve performance at the highest level, constantly learning, and showing innovation. Significantly responsible for achieving goals and meeting deadlines. Works effectively as a team and balances personal achievement with group goals. Fast learner, stays positive, and dependably honest even in stressful challenging circumstances.
